

Thank you for your interest in the Virginia Department of Transportation (VDOT) project to widen and improve the Falmouth Intersection in Stafford County, reducing driver delay at this traffic signal.

The project is adding new turn lanes and through traffic lanes at Route 1, Route 17 Business, and Route 218 (Butler Road). Construction is starting this week, and will continue through September 2015.

Representatives from VDOT and the construction contractor are at the meeting tonight to answer questions and review construction plans.

Project Fast Facts

Location: Intersection of Route 1, Route 17 Business and Route 218, Stafford County

Contractor: Tavares Concrete, Inc., of Lorton, Va.

Cost: Total project cost is an estimated \$22.4 million. Federal funds are paying for 80 percent of the project's cost.

Purpose: Reduce congestion and driver delay on this critical primary road and alternate route for Interstate 95 in the Fredericksburg area.
